CE PROGRAM:

9:00-10:00a: 1h CE, "Ophthalmic Medication Review & Update" Scott Ensor, OD This one hour course will review several commonly prescribed ophthalmic medications as well as systemic versions and will introduce newer choices for the primary care optometrist. Topics will include indications for use, common side-effects, and potential contraindications.

10:00-1:00p: 3h CE, "Rational Narcotic Prescribing and Drug Diversion" Scott Ensor, OD (Mandated for License Renewal by LA Legislature for those prescribing CDS) This course will review the various aspects of prescription writing to include the required elements of a prescription and information regarding controlled substances. The course also will discuss the acquisition of a DEA number and prevention of diversion. Finally, an overview of common prescribing errors will be presented and the course will conclude with suggestions to enhance patient compliance. This course meets all requirements set forth by the Louisiana State Legislature & the Louisiana State Board of Optometry Examiners for licensure purposes.

1:00-1:30p: Luncheon

1:30-5:30p: 4h CE, Speaker & Topics TBA
