

## 2018 OAL Annual Convention

Crowne Plaza Executive Center Baton Rouge

June 15-17, 2018

\* 4728 Constitution Avenue

\* Baton Rouge, LA

Revised 4/18/18

16 hours TPA CE; 1 additional hour General CE for attending Technology Symposium

### OD CONVENTION PROGRAM

**Thursday, June 14**

6:00pm

**OAL Board of Directors Meeting – Juban’s Restaurant**

*Sponsored by Allergan*

**Friday, June 15**

7:00-8:00am

**Registration & Continental Breakfast**

**“Showcase of Vendors” OPENS (Display Tables)**

8:00-9:40am

**OCT: The Optometrist’s MREye-TPA (Brad Sutton, OD)**

2 hr TPA CE

*This course covers the scientific principles behind OCT technology, both current and emerging, and the clinical indications for its use. The majority of the course consists of clinical case examples highlighting the use of OCT in patient care and management. Several conditions including macular edema, VMTS, ERM, macular hole, AMD, PED, neurosensory retinal detachment, glaucoma, NAION, ONH drusen, solar maculopathy, outer retinal tubules, and many others are covered.*

*Premier 3*

10:00-11:40am

**Don’t Let Swollen Optic Nerves Make You Nervous-TPA (Brad Sutton, OD)**

2 hr TPA CE

*Optic nerve swelling can be intimidating to even the most experienced practitioners. This course covers several conditions that lead to true or presumed optic nerve head swelling. An emphasis is placed upon the systemic ramifications of these conditions. The diagnosis and management of papilledema, ischemic optic neuropathy, optic neuritis, optic nerve head drusen, compressive optic neuropathy, papillophlebitis and others are discussed in detail.*

*Premier 3*

Special Vendor Presentation by Alcon (2018 OAL Platinum Sponsor) will follow morning CE, just prior to adjournment for lunch

NOON-1:30pm

**Luncheon for ODs**

*Cypress 1*

**SECO Report:**

**AOA Keynote Address: Dr. Barbara Horn, Vice President (South Carolina)**

**OAL Annual Members Meeting**

1:30-2:20pm

**Taking the Mystery Out of Abnormal Pupils-TPA (Brad Sutton, OD)**

1 hr TPA CE

*This course covers a host of conditions that can lead to abnormal pupil function. The anatomy of both the parasympathetic and sympathetic pupillary pathways is discussed. Specific entities that are covered include pharmacological involvement, Adies Tonic pupil, third nerve palsies, Argyll-Robertson pupil and others.*

*Premier 3*

2:20-3:10pm

**Mystery Theatre-TPA (Brad Sutton, OD)**

1 hr TPA CE

*This course will cover a number of interesting and unique clinical conditions, utilizing the audience to help solve each “mystery case”. The management of each condition will then be discussed in detail.*

*Premier 3*

3:30-4:30pm

**TECHNOLOGY SYMPOSIUM**

**Sponsored by Maculogix, iDoc & Quantel**

1 hr GEN CE

*Premier 3*

3:30pm

**“Showcase of Vendors” CLOSES for the day (Display Tables); vendors move to exhibit hall**

4:30-7:30pm

**Exhibit Hall with food, open bar & “Passport to Prizes” drawings**

*Premier 1 & 2*

7:30pm

**Young OD Dinner @ Mansurs On The Boulevard**

**(ODs Grads of 2013-2018, must have signed up with online registration) Sponsored by Allergan**

## Saturday, June 16

7:00-8:00am **Registration & Continental Breakfast**  
**Past Presidents Breakfast (by invitation only)** *Riverboat Room*

7:00am **"Showcase of Vendors" RE-OPENS (Display Tables)**

8:00am-9:40am	<b>When a Drop Is Just Not Enough: Oral Medications in Primary Care Optometry-TPA (Carl Spear, OD)</b> <i>Sometimes topical medications are just not enough. This course reviews common oral medications used in clinical practice and provides a common sense approach to judicious use of oral medications. Case presentations are used to highlight practical application of basic concepts. Emphasis is placed on oral analgesics and anti-infectives.</i>	2 hr TPA CE <i>Premier 3</i>
---------------	---	------------------------------

9:40-11:20am	<b>Grand Rounds in Anterior Segment Disease-TPA (Carl Spear, OD)</b> <i>This course features a wide variety of anterior segment clinical case challenges to illustrate practical management in a primary care clinical environment. Using interactive audience response technology attendees have the opportunity to participate in the diagnosis, management and treatment of cases. New technologies and treatments will be presented along with tried and tested treatment protocols.</i>	2 hr TPA CE <i>Premier 3</i>
--------------	---	---------------------------------

11:45am-1:15pm **OAL Awards Luncheon with installation of Officers (ODs, Students, Paras, Registered Guests)** *Premier 1 & 2*

1:30-2:20pm	<b>New Technologies in Clinical Practice-TPA (Carl Spear, OD)</b> <i>Technologies continuing to emerge and clinicians are faced with decisions on what technologies to incorporate into their offices. This course will look at a methodical way to evaluate technologies and determine if they are the right fit for your practice. We will also review some of the latest technologies and provide criteria we used to determine whether or not to add them to our clinics.</i>	1 hr TPA CE <i>Premier 3</i>
-------------	--	---------------------------------

2:20-3:10pm	<b>MGD Past, Present, &amp; Future-TPA (Benjamin Casella, OD)</b> <i>This course will refresh the clinician on the common clinical and demographic features of Meibomian gland dysfunction, as well as current and novel treatment strategies.</i>	1 hr TPA CE <i>Premier 3</i>
-------------	---	---------------------------------

3:30pm **LOUISIANA STATE BOARD OF OPTOMETRY EXAMINERS ANNUAL MEETING** *Premier 3*  
All licensed Louisiana ODs are invited & encouraged to attend this brief meeting, where nominations will be accepted & sent to the Governor to appoint a new board member to the LSBOE. Questions regarding rules, laws are welcomed.

4:00pm **Student Roundtable Discussion with OAL, SECO, AOA Leaders** *Premier 3*

5:00pm **"Showcase of Vendors" (Display Tables) CLOSES for the day**

6:00pm **"Eye Rollers" Family Fun & Gaming Night @ the Hotel** *Premier 1 & 2*

Fun for the entire family! Come enjoy a wonderful buffet dinner with complimentary drinks all night, a dance floor with a DJ & music, plenty of socializing, and fun at several table games playing for "chips" used to bid on thousands of dollars' worth of prizes at evening's end. Got chips left? A silent auction will be available as well. For the younger gamers we'll have an area with inflatables, age-appropriate games, & face painting, all sure to make the evening memorable.

Tickets are \$40 per person (Residents, Optometry Students, & Kids 12 & under admitted free!). Each purchased meal ticket will include \$5,000 in Casino Chips. No tickets will be sold after 6:00pm Saturday, so purchase tickets for you and your staff ahead of time.

**Sunday, June 17**

7:00am

**Registration & Continental Breakfast**  
**"Showcase of Vendors" RE-OPENS (Display Tables)**

8:00am-9:40am	<b>What's New With Glaucoma?-TPA (Benjamin Casella, OD)</b> <i>This course will describe several contemporary concepts regarding glaucoma as a multifactorial neurodegenerative disease. Current diagnostic considerations will be presented through clinical case examples, and possible emerging therapies, including the concept of neuroprotection, will be explained through use of recent studies on glaucoma models.</i>	2 hr TPA CE <i>Premier 3</i>
---------------	--	---------------------------------

10:00-11:40am	<b>Don't Get Fooled When the OCT Goofs-TPA (Benjamin Casella, OD)</b> <i>Spectral domain optical coherence tomography (SD-OCT) has truly revolutionized diagnosis and management of many ocular diseases. However, these devices do not diagnose diseases but they measure differences in optical reflectivity. This course will highlight several cases in which lurking variables have skewed OCT values, thus potentially misleading the clinician.</i>	2 hr TPA CE <i>Premier 3</i>
---------------	---	---------------------------------

**Showcase of Vendors" (Display Tables):**  
**Vendors may remain at the close of CE Courses to continue visiting with Doctors**

**Thanks for attending!**

**WE HOPE TO SEE YOU AT THE UPCOMING FALL CE CONFERENCE**  
**OAL FALL CE CONFERENCE, SATURDAY, OCTOBER 27, 2018**  
**Baton Rouge Marriott**

**WE ASK FOR YOUR FEEDBACK & INPUT.....HAVE IDEAS FOR SPEAKERS? COURSE TOPICS?**  
**(You may leave your comments on the OAL Mobile App)**

**OR...**

-----  
**PLEASE FILL OUT THIS FORM AND LEAVE WITH YOUR NAME BADGES ON THE REGISTRATION DESK**
