

WELCOME TO THE OAL ONLINE STORE!

The new OAL online store has been created to offer OAL members the opportunity to order apparel, promotional products, and other items personalized for their own offices, as well as plenty of OAL customized products, all with discounted prices just for OAL members! Let this become your “headquarters” for dressing your office to keep your office name / logo in front of your community.

- OAL logo or your office custom logo area available on most products (where noted).
- On apparel, pricing shown is for blank items. Logos have different stitch counts, so it is not possible to list custom pricing. Simply email your logo for a discounted quote on the garments you choose.
- Looking for something not shown? Feel free to contact us!
- With a long history of supporting organized Optometry and individual OD offices, Janis Savatsky & Jessica Ramirez, Assistant, are your contact persons and are glad to help with your office needs! Contact Janis or Jessica at any time:
